Taster Programme

LIVELY • CREATIVE • FUN

Taster Programme

Through the Taster Programme, young people can better understand the characteristics of professional pilot courses, based on their interests, and embark on a professional path. VDPO can arrange and tailor-made activities upon request. Schools or organisations are welcome to call 3519 1808 for enquiries.

Taster Course*:

Experienced introductory skills in the workplace on the spot taught by experienced professional instructors

Seminar:

Introduce "Teens Programme" and the pathways for further studies and employment

School Tour:

Campus visit by school representative
